Time is ticking to see

MAGNA CARTA AND THE NORTH

at **Durham Cathedral**. The exhibition runs until Sunday 2 November, where you can see the only surviving 1216 Magna Carta, along with issues from 1225 and 1300, and three Forest Charters in Durham Cathedral Museum. Make sure to stop by the other installations around the cathedral - gaze up to the Voiles and look down at the illuminations in the Nave and pause in the Chapter House to reflect upon the Magna Carta and Christian Faith.
