FLOODGATE REPLACEMENT

We have received information regarding the replacement of the floodgates. It will effect access to parking and church as follows:

From 12th February the road along the riverside (marked orange on the map below) from the end of Sainsbury's Car Park to the floodgates just at the bottom of the church grounds will be **closed**. It is anticipated that the work will be completed by 14th March.

However from early March, it is intended to begin work on the two floodgates at the bottom of the church grounds. Precise information will be circulated when it becomes available.
